COUNTING YOUR BLESSINGS

If you woke up this morning with more health than illness, you are more blessed

than the million who will not survive the week.

If you have never experienced the danger of battle, the loneliness of imprisonment, the agony of torture, or the pangs of starvation, you are ahead of 20 million people around the world.

If you attend a church meeting without fear of harassment, arrest, torture, or death, you are more blessed than almost three billion people in the world.

If you have food in your refrigerator, clothes on your back, a roof over your head, and a place to sleep, you are richer than seventy-five percent of this world.

If you have money in the bank, in your wallet, and spare change in a dish someplace, you are among the top eight percent of the world's wealthy.

If your parents are still married and alive, you are very rare, especially in the United States.

If you hold up your head with a smile on your face and are truly thankful, you are blessed because the majority can, but most do not.

If you can read this message you are more blessed than over two billion people in the world that cannot read anything at all. **From House to House**
