What a Book!

This book contains the mind of God, the state of man, the way of salvation, the doom of sinners and the happiness of believers. Its doctrines are immutable. Read it to be wise, believe it to be safe, and practice it to be holy.

It contains light to direct you, food to support you, and comfort to cheer you. It is the traveler's map, the pilgrims staff, the pilot's compass, the soldier's sword, and The Christian's character. Here paradise is restored, heaven opened and the gates of hell disclosed. Christ is its grand subject our good its design and the glory of God its end. It should fill the memory, test the heart and guide the feet. Read it slowly, frequently, prayerfully.

George Whitfield said, "God has condescended to become author; and yet people will not read His writings. There are very few that ever gave this Book of God, the grand character of salvation, one fair reading through."

The cross (Philippians 2:8) ought to remind us that there is something more important in life than anything else.

It's more important than politics. It's more important than business.

It's more important than romance.

It's more important than education.

It's more important than your career.

It's more important than your health.

It's more important than your safety.

It's more important than your very life!

"But God forbid that I should boast except in the cross of our Lord Jesus Christ, by whom the world has been crucified to me, and to the world" (Galatians 6:14). -Kneemail, Mike Benson, editor
