What a Book!

This book contains the mind of God, the state of man, the way of salvation, the doom of sinners and the happiness of believers. Its doctrines are holy, its precepts are binding, its histories are true and its decisions are immutable. Read it to be wise, believe it to be safe and practice it be holy.

It contains light to direct you, food to support you and comfort to cheer you. It is the traveler's map, the pilgrim's staff, the pilot's compass, the soldier's sword, and the Christian's charter. Here paradise is restored, heaven opened and the gates of hell disclosed. Christ is, its grand subject, our good its design, and the glory of God its end. It should fill the memory, test the heart, and guide the feet. Read it slowly, frequently, prayerfully.

George Whitfield said, "God has condescended to become an author; and yet people will not read His writings. There are very few that ever gave this Book of God, the grand character of salvation, one fair reading through." -Author unknown
