Bro. Herbert Forbes & Family; Dear Brother's & Sister's in Christ, words will never be enough to say how we feel for all your prayers, concerns, visits and everything you have done for my family and me. I don't have the words to say, other than "God is good, and all the time God's good". Continue to keep my family and myself in your prayers. I am improving everyday with your prayers.

Bro, & Sis. Raymond Fowler & Family; thank you for your prayers, calls, cards, visits and food. We really are grateful for everything; your support and attending mom's services.

FIRE IN MY BONES

Jeremiah 20:9

Jeremiah wanted to quit, but he couldn't, because there was a "fire in his bones." Morgan said, "Under the stress and strain of his sufferings, he was tempted to abandon the work, to refuse to speak anymore in the name of Jehovah. But when he attempted thus to find release from suffering in silence, it was impossible; for such silence became more intolerable than suffering." What does fire do for us?

Fire consumes. It burns the sinful and unnecessary "stuff" in our lives. Wickedness burns like a fire (Isaiah 9:18), but fire also purges evil (Zechariah 13:9).

Fire purifies. It makes us clean and holy before God (cf. 1 Peter 1:7).

Fire prepares (as in food). It makes us tasteful and pleasant to each other.

Fire cheers. When caught in the grip of despair and discouragement, Christ cheers us on to victory.

Fire unites (as in uniting different kinds of metals). It brings unity to the people of God.

Do you have a "fire" in your bones? — Mark Posey
