Back -To-the Future

Churches of Christ are committed to restoring the teaching and practice of New Testament Christianity in its purity.

We believe “the seed is the word of God” (Luke 8:11), and that it will produce in the twenty-first century what it produced in the first century—undenominational Christians, people who are members of the church we read of in the New Testament.

We speak where the Bible speaks and remain silent where the Bible is silent, call Bible things by Bible names, and do Bible things the Bible way (1 Peter 4:11).

We have no hierarchy, no earthly headquarters, and no creed book or church manual written by men. Christ is our only creed and the Bible is our only guide.

We believe with all our hearts that we can be the true and faithful church of our Lord in the present age.

We invite all to come with us as we strive to go back to the Bible, back to the God of the Bible, back to the Christ of the Bible, and back to the church of the Bible.

We believe that going back to the Bible is the only future that the church has.
