### *The Power of Sin*

Sin is not stagnant. It never stays in one place, person, family, community or country. A judge may sequester a jury and a doctor may quarantine a disease, but no man on or earthly power can isolate sin.

Sin stalks its victims as a hunter does his prey. Sin slithers like a snake inserting its venom of death into the veins of those who bear the image of God.

Sin marches like locusts over the landscape of humanity, leaving a world of human wreckage in its wake. Sin is a vulture feasting on its own handiwork.

Adam and Eve's transgressions initiated a stream of sin that proved torrential in its power and worldwide in its scope. Frank Chesser, Montgomery, Alabama

Would you be free from the power of sin? There is power in the blood. Come to Jesus!!
