

Announcements – Bulletin News February 14th, 2021

Thank you! **Yvonne Carpenter:** I sincerely thank you for the very timely and thoughtful green plant and beautiful vase. It has brightened my Day! I am improving.

Jimmy Reed: is at home and is improving, please to continue to pray for his recovery.

Geraldine Banks-Johnson: request prayers for her sister, Phyllis Jackson who had a stroke and is in the hospital.

Erma Williams; ask for continued prayers and thanks the church for cards & prayers.

Shut-In

Center 6700 E. 45th. Rm 337A. Bel Aire, 67226, No Visits.

Wanda Haynes-Rolling Hills
Health & Rehab. 1319 S. Seville, 67209, Rm. 413

Johnnie Morgan-Life Care
Center, 622 N. Edgemoor 67208, she can have visitors.

Earlene Patton-Platinum Care
Homes, 5701 E. 17th St. N, 67208

Congratulations
to **McKynna Thompson** who graduated from Wichita Heights High School midterm and plans to pursue a Criminal Psychology degree in the fall at the University of Fort Hays State. She is the daughter of Kim Thompson and the granddaughter of Sis. Barbara Booker.

GOD'S PROMISE TO GIVERS

HOUSE TO HOUSE HEART TO HEART

"God is able to make all grace abound toward you, that you, always having all sufficiency in all things, may have an abundance for every good work" (2 Corinthians 9:8).

- ❖ Blessing: "all grace."
- ❖ Duration: "always."
- ❖ Adequacy: "all sufficiency."
- ❖ Result: "all things."

God blesses those who give sacrificially! —Mark Posey

From the Elders

Worship Services have been suspended until further notice. Services will be live streamed and only those participating in services are to attend. You may continue to pick up communion and drop off your offering on Friday's between 12noon and 3pm.

Security alarm system has been installed at the church building and will be activated shortly. For those members who have keys, please call the office, and make an appointment to come in and sign an "Office Key and Entry Policy Agreement."

God Made Life Interesting

Seeds may be dropped into the ground upside down or sideways, yet the plants come up to the surface. One grain of corn will produce a stalk on which there may be two ears, with perhaps 742 grains on each ear. A light crop of wheat will produce approximately thirty grains on each stalk; a good crop of wheat will produce approximately sixty grains on each stalk. There will always be an even number of grains.

Beans grow up a pole from left to right, while the morning glory grows up a pole from right to left. If turned upside down, "twining" plants will uncoil and recircle their support. Guide a twiner in the "wrong"

direction, and the plant will rewind itself. The higher a twiner grows, the more tightly it clasps its support.¹

The dandelion will grow above its surroundings whether the grass be two, ten, or twenty inches,² for it must get up into the sunlight. An ordinary watermelon will have ten stripes on it. Larger ones may have twelve to sixteen stripes, but always an even number.

Every form of life in the vegetable and animal kingdom has a predetermined set of characteristics, a master plan perfect in every detail . . . God's plan. God has a perfect plan for my life and yours, which supplies all our needs—His Word ([2 Peter 1:3](#)). By His grace, we receive strength to rise above all our circumstances ([Romans 8:31](#)).

How wonderful to witness His majesty in the changing seasons! "Then God saw everything that He had made, and indeed it was very good."
