From the Elders

Beginning next Sunday Feb 28th, Sunday morning services will resume for members to attend in person.

The doors will open at 9:30 am; this will give time for temperatures to be taken and for the ushers to seat you. Please wear your mask. If you do not have a mask there will masks available for you.

It is important that everyone be on time; the worship service will begin live streaming promptly at 10am. At the conclusion of services, it is important that you leave the building and not congregate in the foyers.

We understand that members who have underlying health conditions and concerns will not be able to attend at this time. For those who are unable to return you are not seen as forsaking the assembly due to your health conditions.

You may visit www.chisholmtrailcofc.org to watch the worship service live at 10am.

Once it posted online you may also watch the service on the website or face book on Sunday's until you are able to assemble once again

A Security alarm system and cameras have been installed in the church building. The Pavilion and

the Maintenance building have an alarm system as well. For those members who have keys, if you have not called the office for instructions on how to enter the building please do so ASAP.

If you enter the building without a code to any of the three building the alarms will go off and the Police will be dispatched to the building. The church will be charged for false alarms.

The Best Things

By **House to House Heart to Heart**

“The best things are nearest: breath in your nostrils, light in your eyes, flowers at your feet, duties at your hand, the path of right just before you. Then do not grasp at the stars, but do life's plain, common work as it comes, certain that daily duties and daily bread are the sweetest things of life.”—**Robert Louis Stevenson**

“I will praise the Lord according to His righteousness and will sing praise to the name of the Lord Most High.”
