**Message from the Leadership**

*A WORKING CHURCH IS:*

1. A Growing Church, because its members are doing the things necessary for growth. (Col. 2:6-7)
2. A Happy Church, for people are happy when they are working for the Lord. ( John 13:17; I Peter 1:8)
3. A Peaceful Church, for people that are busy in the Lord's work do not have spare time on their hands to complain or stir up trouble. (I Thess. 3: 10-12)
4. A Praying Church, for the members realize the need of consistently being in direct contact with the Lord daily. (I Peter 3:12)
5. A Giving Church, for we give to that which we love and never consider it a hardship nor do we complain because we are to give as we have prospered

Five rules that will move a congregation, if properly applied!
